

## Washington Timbers FC Class of 2020 College Signing Celebration

Washington Timbers FC Class of 2020 College Soccer Signing Celebration took place on May 3rd through Zoom. The 2020 class is the largest class we've ever had, and as of this writing, we have many athletes still visiting campuses, exploring options and receiving offers.

We had at least 27 players that have signed their National Letter of Intent to play:

Washington Timbers FC College Coordinator, Dan Macaya, had this to say about this year’s class, “This Class of 2020 will be the largest group of commits the Washington Timbers FC has ever produced. With many of our players still out identifying which school to attend and play for, we want to recognize those currently signed, but also allow those still going through the process to be able to celebrate all together as a club.”

We are excited to have former and current coaches, parent/guardians, friends and family of these student-athletes in attendance to celebrate the largest College Signing Day Celebration in our club’s history. Please contact Washington Timbers College Coordinator, Dan Macaya, if you would like to attend the event: [college@washingtontimbers.com](mailto:college@washingtontimbers.com).
